and may advance that position in the market. In the case of gold, which has been so long neglected by investors, it is believed that the situation will be somewhat different. There was a fairly important report of the market. Gold stands at \$10.80, known that gold is worth more than silver, copper, lead, zinc, and iron. The price of gold is now \$10.80, while the price of silver is \$1.00. The price of copper is \$1.00, and the price of lead is \$1.00. The price of zinc is \$1.00, and the price of iron is \$1.00.

There is no Commission on Un-American Activities, and the Federal Bureau of Investigation is not authorized to investigate the activities of individuals or groups. The only way to determine if a person is a member of a subversive organization is to see if the person is on the list of known subversives. The only way to determine if a person is a member of a subversive organization is to see if the person is on the list of known subversives.
